StreetHeart is a neighborhood program from Eaton Community Health (ECH). ECH is a local nonprofit supported by grants, donors and other contributions. ECH funds various healthy neighborhood projects.

StreetHeart Neighborhood Advisory Crew (SNAC)

The **StreetHeart Neighborhood Advisory Crew (SNAC)** is a team of neighborhood residents who have signed up for a six month commitment to serve as their block representative. This crew has been hard at work throughout the first quarter of 2023 working together on neighborhood priorities, SNAC policies, youth committee ideas, and they have awarded the first **StreetHeart Project Award (SPA)** of the year.

These Neighborhood leaders are creating "**Welcome Packets**" to be delivered to new neighbors as they move into our Neighborhood, and they will be assisting the Neighborhood Coordinator with the upcoming **annual survey**. We have also been working on creating a safer neighborhood by helping to organize a **Neighborhood Watch group** that is open to all households who live in the StreetHeart neighborhood.

SNAC is still looking for block representatives on specific blocks of **Pleasant, Prairie, Seminary, Henry, and Lovett**. If you are interested in this opportunity, you can complete an online interest form on our website (MyStreetHeart.org), or reach out to your Neighborhood Coordinator, Kalli, for more information (Kalli@ech-eaton.org).

SNAC members are paid a **quarterly stipend** (\$125) for participation, and we currently host monthly meetings on the **fourth Thursday** of each month at 6pm.

Did You Know...

The *StreetHeart neighborhood* is home to a wide variety of **trees**. Some are newly planted, some more than 100 years old. Some flower, some are green all winter, some are beloved; others are a nuisance. Some are giants, some miniatures. All bring life and character to the StreetHeart neighborhood.

- What trees are **within view** when you look out your **window or door**?
- Do you have a **favorite**?
- Can you name any of the trees you see **from your home** or on your **walks or drives**?

We would love to see your *favorite trees* in the neighborhood and will feature some of them in StreetHeart posts or future newsletters. **TAKE A PHOTO** of a favorite tree and **EMAIL** it to us at Kalli@ECH-Eaton.org Let us know where you observed the tree.

We look forward to seeing your favorites!
