

HEARTBEATS

Neighborhood Newsletter

StreetHeart is a neighborhood program from Eaton Community Health (ECH). ECH is a local nonprofit supported by grants, donors and other contributions. ECH funds various healthy neighborhood projects.

Neighborhood Kickball Fun!

Neighborhood youth, James, had an idea to throw an end of year kickball event to celebrate the last day of school with of the neighborhood kids. James, along with his friends wrote a StreetHeart Project Award to cover the costs of pizza & ice cream while he and his friends planned an unforgettable kickball party that many neighborhood kids enjoyed.

Hungry Howie's was voted the best downtown pizza while music, water balloons, nerf guns, and kickball entertained groups of teenagers throughout the afternoon. James is a great example of being a Neighborhood Leader with a Project Award!

StreetHeart Neighborhood Watch

StreetHeart Neighbors have prioritized neighborhood safety by establishing a new Neighborhood Watch Group to encourage Neighbors to get connected & look out for one another. This group is interested in working together to improve Neighborhood safety with informative education workshops, a neighborhood watch call tree, and building stronger neighborhood connections.

New group members are welcome to join and free Neighborhood Watch window decals are available for interested neighbors. These meetings occur on the second Tuesday of each month at 6:30 pm at the downtown office 224 S Cochran Ave.

Galewood Project Award

Galewood Elementary School is located within the StreetHeart Neighborhood, and hosts Kindergarten age students. This spring the leadership team at Galewood applied for a StreetHeart project award to help fund a May Day flower project that would help connect each of the 250 students with the residents living at the Edmond Senior Apartment complex.

This StreetHeart Project award allowed for each child to participate in a walking field trip from the school to through the Apartment complex to deliver cheerful May Day Flowers to each resident. Students carried artfully decorated umbrellas along the walk, and made for a lovely view from the front porches as they paraded by.

COMING SOON:

Annual Neighborhood Survey

StreetHeart will begin conducting the annual neighborhood survey during the month of August. Each StreetHeart household will have the opportunity to complete one survey, and receive one \$10 gift card for participating. Survey Packets will be delivered to each household by your neighborhood block leader and/or the Neighborhood Coordinator.

All households who are not reached during door to door outreach will have a survey packet sent by mail. Neighbors can request a specific time for the door to door visit or pick up a survey packet in the downtown office by appointment.

Did You Know...

Last summer StreetHeart launched our Neighborhood Garden at the Old School Village located on Horatio ave. This property transferred ownership at the start of this summer. As you may have noticed the new owners got started right away with site clean up and construction plans.

As we celebrate all of the new changes and possibilities at Old School Village we will be looking for alternative locations for our garden space next summer. The garden was a very successful neighborhood project that we are very proud of, and hope to continue to grow as a neighborhood next summer.
